SPRING 2010  
ISSUE 9

The weather was perfect—sunny with a cooling breeze, we were honored with friends, teams, co-workers and many new faces joining us. Among them was the first lady of Nassau County, Linda Mangano, as well as the Honorable Mona Goodman, Honorable Harvey Weisenberg and Walk Chariman Leny Reno.

As I stood with microphone in hand and looked out at all the Breast Cancer Angels that stood before me who came out early on this beautiful day to support the fight and raise monies for the Lend a Helping Hand Program and our other projects. I felt proud to be a part of this. Last year was a banner year for the Lend a Helping Hand Program. We are pleased to announce the Long Beach Breast Cancer Coalition was able to help 15 women who were battling the disease.

Participants ages ran the gamut—from stroller babies to young thinking Seniors overlooking the Long Beach shores as they were walking, running or biking. A unique slant on a birthday celebration were the two families who gave up the cake and chose to honor their mothers' 90th birthday by walking and celebrating life with us.

No one was more pleased than all our volunteers who worked tirelessly putting this event together. They are special angels, without Barbara, Victoria (11 years old!), Gloria, Judi, Carol, Lenny, Charlie T, Amanda, Lee, Charles, Peggy, Jen and many others, where would we be?

Designer Judi Delatorre stepped up to the plate with a baseball theme for our spiffy new T-Shirts. Outside support made this, refreshments and publicity possible. Thanks also to Long Beach City Maintenance for their help in keeping our Remembrance Garden neat and tidy. Stop by to tie (a Pink One) on.

The future looks promising for Long Beach High School Senior Cruz Granados. She was awarded a scholarship in honor of Roberta who is facing her own battle with cancer.

Once again, the spirit of community saw us coming together for a purpose, a goal, LIFE!

# 2010 SPONSORS
